MESSAGE FROM THE MAYOR

With the holiday season fast approaching, you will find this newsletter full of information about the many wonderful events that will be taking place throughout the village. Please take a few minutes to read about them.

Saturday, December 4th promises to once again provide that small town feel with a daylong celebration that offers something for everyone. Why not join us as we herald in the holidays, and of course, winter!

On another note, you may have noticed that the Library is undergoing a serious renovation. The work will update our Library and provide services that people have come to expect from their libraries as times and technology change. This work has also caused me to reflect back to the days when, as a young Trustee, I was the liaison to the Library Board. The members serve for long terms, without fanfare, with much dedication, and deserve recognition. We look forward to the Library's grand re-opening.

Have a safe, happy holiday season.

Doug

SWIFTREACH

In an effort to provide more reliable communications we have implemented SwiftReach Networks, Inc. as our Emergency Notification service provider. Swiftreach911 is a system that makes phone calls to specific people or areas in the event of an emergency or for sharing important information. All the calls you receive will have the Caller ID of "Bayville". Add your contact information to our emergency notification list so you can be contacted with important information and announcements. To register go to our website home page and click on the SwiftReach tab.

SOCIAL SECURITY

Vincent Serio continues to be available at the Bayville Community Center, 88 Bayville Avenue on the first Thursday of the month starting at 3 PM to assist our residents regarding any questions you may have, or information you may seek regarding Social Security.

SNOW, ICE, LEAVES, ETC. REMOVAL

In the event of snow, sidewalks are to be cleared within 12 hours of snowfall. All cars are to be removed from roadway in order for proper snow plowing to be conducted. Your cooperation is greatly appreciated.

Sidewalks are to be kept free of snow, ice, leaves, debris, etc.

The following streets are designated **Emergency Snow Streets** and require that all vehicles be removed during a snow storm:

Bayville Avenue	Mountain Avenue
Creek Road	Perry Avenue
Godfrey Avenue	School Street
Ludlam Avenue	West Harbor Drive
Merritt Lane	

ALL CARS SHOULD BE REMOVED FROM EVERY STREET

It is very difficult to snow plow with vehicles on the road. The plow is approximately 11 feet wide and visibility is not optimum during a snow storm.

Cars are prohibited from extending into the street. They not only block curbside plowing but also create a danger to drivers. Snow from cars and driveways must be put on lawns, not back into plowed streets. Cars should be off all streets to assure safe and complete snow removal

Catch basins should be cleared to reduce flooding. Resident cooperation is required to prevent flooding and icing of melted snow.

ROTARY RIDES

Rotary Rides is an Oyster Bay Rotary project in partnership with Hendrickson Bus Corp. Rides are available Monday through Friday from 10:00AM to 2:00PM and 4:00PM to 6:00PM. This program is available to **all handicapped residents** living in the hamlet of Oyster Bay, East Norwich, Bayville and Locust Valley. The transportation is limited to medical and healthcare appointments only. An

application is available by phoning 516-922-2650. It is requested that a \$5.00 roundtrip donation from the riders is given to help support the program since they depend on donations to keep it going. A ticket form is included with the application and once the donation is received, tickets are mailed to the rider. (\$50-book of 20 one-way tickets or \$2.50 each way).

MEDICAL RIDES FOR SENIORS

Doubleday Babcock Senior Center's medical transportation service is available to seniors residing in the hamlet of Oyster Bay, East Norwich, Bayville and Locust Valley who need assistance and do not have their own means of transportation. This service is available Monday through Friday by phoning the Center's medical transportation coordinator, Mimi Nicklas at 922-6422. Volunteer drivers will take you to your medical or dental appointment. One week's advance notice is needed for arrangement. A nominal donation is requested for this service.

MEALS ON WHEELS

Looking for 2 volunteers to deliver Meals on Wheels out of Glen Cove Hospital every other Monday and every other Tuesday. It will take approximately a half hour. If available please contact: Lisa LoMonaco 628-1404 or 375-5876.

MUSEUM EXHIBITION

This year's exhibit will be "Dressing for the Holiday - Vintage Finery" at the Bayville Historical Museum on December 12th from 1 pm to 4 pm. Collection courtesy of the Rapelje families of Bayville and Glen Cove. Refreshments will be served.

ENVIRONMENTAL CONSERVATION COMMITTEE

The Village of Bayville Environmental Conservation Commission has undertaken an important long-term project to reverse the damage done by invasive vines. The Harrison Williams Woods was a gift to our community. The support of the community is now needed to save the canopy provided by these mature trees. A class of Bayville 4th graders have already begun this project and they need more volunteers to continue the work. Please come on December 11th anytime between 9 AM - 12 PM. Bring garden/work gloves. Students can earn Community Service hours.
